Testimonials

"Jade made our wedding cake and we were absolutely delighted with the result. She completely understood what we were after from start to finish, with the design process, tasting box and cake topper!"

We had a lemon layer and a ginger and apple layer, and both were absolutely delicious! Nothing was too much hassle for Jade, we had three vegan guests and she made them special raspberry vegan brownies (feedback for these was also extremely positive!!)

I thoroughly recommend Bitesize Bakehouse and we will be back for future celebration cakes!" - Mrs L

"The most delicious cake I have ever eaten!! Not only was it beautiful, and the flowers you added to decorate my wedding cake looked amazing, the cake itself was beautiful. I loved that we could have 3 different flavours and fillings and all of our guests loved it and asked to take some home.

Then there were the favours of marshmallows and macaroons, they matched our colour scheme beautifully and tasted amazing.

Thank you Jade for adding so much to our day and the lovely box of homemade chocolates you gifted to us where delicious and did not last long!!" -Mrs T H

"Jade did our wedding cake for us and my god it was delicious. It looked like a work of art and I didn't actually want anyone to eat it but we had the guests raving about it for days and weeks later.

The cake was huge and was delivered and assembled to perfection by Jade at our wedding venue which was about a 45 minute drive.

She was a delight to deal with, professional and was accommodating when we were indecisive about flavours." - Mr & Mrs H
